We would like to tell you a little bit about our “Oil Change Fundraiser”
In these tough economic times even products sold to raise funds need to be prudent. Our oil change fundraiser does just that.

By selling tickets for a \$25.00 oil change, everybody benefits.
For example 100 tickets sold at \$25.00 each would raise \$2500 , \$1250 for your cause.

Plus the buyer gets a quality oil change for \$25.00 or \$25.00 credit towards any repair, we have had people who purchase multiple tickets to get their brakes or service done on their car. 500 tickets sold would raise \$12,500.00, that's \$6250.00 for you !!

We look forward to hearing from you soon to discuss the exciting details
